Achieving greater productivity in your office with fewer resources and tighter deadlines, means finding the right digital multifunctional system. Designed to address these rigorous requirements, the Ricoh Aficio 3025 copier offers busy workgroups the power to perform. From image capture through file management and professional output, the Ricoh Aficio 3025 copier delivers efficient, secure and cost-effective workflow that is integral to your business success.

Purchasing A 5 Star Business Machine certified pre-owned Ricoh copier is safe and affordable. You see, while a certified pre-owned Ricoh copier is not quite new, it comes about as close to new copier standards as you can get. Each Ricoh copier undergoes an inspection and reconditioning program so rigorous, ordinary used copiers simply don't measure up. What's more, each Ricoh Copier is given a brand new 90 day complete parts and labor warranty
